

Avoid Smart tunnel for now

KUALA LUMPUR: The Stormwater Management and Road Tunnel (Smart) has been closed since 6pm on Saturday for flood mitigation.

Syarikat Mengurus Air Banjir dan Terowong, the company managing the tunnel, in a statement yesterday called on motorists to be patient and to extend their co-operation as well as pay attention to information on the closure in the media.

Those with enquiries can call the help line at 1-300-88-7188. — Bernama
